## LATHERS

### Original Lather

Included in Shampoo Style/Cut

This is our **signature** shampoo. Starting with a detoxifying lather that removes the dull coating on the hair which includes chlorine, environment impurities, and medication build up. We then restore it with wheat derived treatments, spirulina, and plankton extracts that soften, soothe, and revitalize the hair. Finishing with a Vitamin E, Soy, Shea cocktail that hydrates and strengthens.

### Keritriplex Lather

30

This is our **sulfate free** lather. It is a special blend of awaphui wild ginger and a keritriplex blend that is designed to heal the hair from the inside out. It reduces breakage by 80%, prevents color fading by 67%, and improves shine by 35%. Your locks will beg for this treatment regularly.

### Scalp Lather

15

The essential **tea tree** lather. This is designed to refresh and provide an invigorating experience that stimulates the scalp. It uses natural extracts of tea tree, peppermint, lemon sage, and zinc to vitalize a healthy scalp. This treatment has a natural therapeutic quality.

### Smoothing Lather

15

This lather is **infused** with chamomile, jojoba, and henna that smoothes and softens hair which creates a silky finish while adding a brilliant shine. It has water reducing elements that reduce dryer time and increases speed. Its heat activated components making your hair resistant to damage.

### Color Lather

15

This lather will leave you with **quadruple** protection. It extends your color with sunflower extracts and UV protection preventing fade. It is a strength building treatment that will improve you hairs elasticity, elevate moisture, and intensify your shine and color.

### House Cocktail

10

These are customized conditioner mixes for a specific need. Short and sweet!
